POLICY FOR HANDLING OF GOOD TILL CANCELLED ORDERS

Exchanges vide it's circular NSE/INSP/62528 dated June 21, 2024, Pertaining to 'Policy on Handling of Good Till Cancelled Orders offered by Members to Clients' mandated trading members to formulate a policy in case they offer "Good Till Cancelled" / "Good Till Triggered" orders or orders of similar type.

I. Details of Good Till Cancelled (GTC)/Good Till Triggered (GTT) orders-

The GTT feature is available to all users who have a valid and active trading account for Equity and Derivative segment. Users must comply with the terms and conditions set forth by the trading platform and the regulatory authorities governing equities and derivatives trading.

1. GTT is an order facility through which a client can place buy and sell orders in the cash equities (includes ETF, Bonds and all other instruments listed in the capital market segment), equity derivatives and currency derivatives segment.
2. For Cash equities GTT Orders are valid for maximum 180 days from the date of placement, unless triggered or cancelled earlier .For equity derivatives and currency derivatives, apart from above conditions, the GTT Order is valid until the contract's expiry date, whichever condition is earlier.
3. All existing and new clients of NCRL can place their GTT orders by calling the Dealing Desk .
4. GTT Orders can be placed by specifying a limit orders for both buying and selling in the Equity Cash segment, equity derivatives and currency derivatives segment.
5. GTT Orders will be automatically cancelled if the order value of the GTT order exceeds the available trading limit when the order is released to the Exchange or if the specific counter in relation to the GTD order is suspended from trading or due to the impact of corporate action.
6. Client shall ensure that necessary funds/margins are available to place GTT orders in their account for the unexecuted quantity of the order.
7. All securities in NSE are eligible for placing GTT order.
8. Clients can modify the quantity or limit price of a GTT order by calling the Dealing Desk of NCRL.
9. All GTT orders can be cancelled by the Client by calling the Dealing Desk of NCRL
10. A GTT Order is executed only when the trigger price is met. If the trigger price is breached but the limit price is not exactly met during the trading session, the order is cancelled at the end of the trading day.

11. If a GTT order is not executed for the entire quantity, NCRL is authorized to place fresh orders for the unexecuted quantity for the client on the subsequent trading days till the entire quantity is executed or till the validity expires, whichever is earlier. This feature permits the client to specify the number of days during which the client intends to place the orders.

II. Client Responsibilities

The GTT order will not be checked and rejected by the system for any Corporate Actions (e.g., Capital Reduction, Capital Restructuring Right Issue, Bonus and Split etc.) announced during the validity period of the GTT order. It is the duty and responsibility of the Client to monitor Corporate Actions for their GTT order and cancel or amend the order if required, as Corporate Actions normally involve change of price and/or quantity on ex-date. NCRL shall not be liable or held responsible for any failure to provide such notifications or any consequences arising there from.

III. Handling of GTT orders in case of corporate actions:

Post Corporate Action, GTT orders will be validated against DPR (Daily Price Range) sent by the exchange. Before revalidating the order for next trading day (post corporate action), system will check for circuit limits and daily price range and would validate orders only within the circuit limit and daily price ranges.
